TAX AGENCIES ASKED TO FIND RELIEF FUNDS

More Careful Spending Of $7,000,000 Levy Urged At Meet

Conservation of the $7,000,000 annual revenues raised by taxing agencies within and without San Mateo county so that funds may be allocated or re-allocated to provide moneys for public improvements to alleviate the unemployment situation during the fiscal year 1932-33 was urged at a special meeting of city and county officials in the courthouse here Tuesday night.

To the $5,000,000 dollar revenue of city and county taxing agencies, should be added about $1,500,000 received from the state for school purposes and $200,000 in gas tax and license fees from the state for highway purposes. With this $7,000,000 fund properly handled, the concensus last night was that no bond issues or higher taxes will be necessary to meet the unemployment situation.

In order to achieve the desired results, careful co-operative scrutiny of the cities and counties budgets will be necessary, it was agreed. It is proposed that the executive committee of the unemployment group confer with city and county officials.

It is proposed that savings be made on budgeted items which would not provide work relief, and that these contemplated expenditures be turned into channels that will provide employment

A resolution to these effects was introduced by Mayor D. R. Stafford of Redwood City, seconded by Mayor A. R. Cotton of San Mateo and was unanimously adopted.

Manuel Francis, chairman of the board, met with the unemployment committee, over which Capt. Edward McAuley of Hillsborough presided.

AMERICAN LEGION ENDORSES BONDS

Endorsed by Legion

At a well-attended meeting of Redwood City Post No. 105, American Legion, held Monday at Mezes Hall, City Councilman Charles G. Lambert gave a talk on the operations of the local city government and explained the need for a new library which will be voted upon at the city election April 11.

Legionnaire Emmett Donnelly presented a resolution which was unanimously adopted by the post, endorsing the library bond issue, with the proviso that local contractors and labor be employed in the erection of the building.

Assemblyman Harry Parkman and Carl Wagner also gave short talks on civic improvements and community development.

A demonstration by the fire department first aid team under the supervision of Assistant Fire Chief Al Russell followed. Refreshments were served by the "Dugout Detail." An invitation was extended to those present to attend the social evening arranged by the Legion auxiliary for Wednesday, March 30, at Mezes Hall. A short program, followed by refreshments and dancing, is planned for that occasion.

CRASH DAMAGES TRAFFIC SIGNALS

ATHERTON, Mar. 29.—Nearly $150 damage was done to the town's traffic signals here at the Atherton avenue-highway intersection early last evening as the result of a collision between a Union Oil Company truck and a sedan

The sedan, driven by Miss Ida Sinai of 999 Broadway, San Francisco, was slowing down to make a right hand turn into Fair Oaks lane when it was struck from the rear by the truck, driven by Paul Cameron of 516 Rettis avenue. Mountain View. Both cars headed across to the opposite side of the highway.

The truck shoved the sedan aside, then tore down the traffic signal control post, switch box and telephone before plunging through the fence at the edge of the R. S. Odell estate.

Nobody was injured, and the truck and sedan were not seriously damaged in the crash.

Brief Is Filed By Mrs. Gavin In High Court

Trial Judge, Lawyers Receive Copies Of Appeal Papers

Copies of the brief of Mrs. Constance May Gavin which she filed Wednesday in the supreme court to obtain a new trial of claims that she is the illegitimate daughter of the late James L. Flood of Menlo Park were received in Redwood City the same day.

One copy was filed with County Clerk Elmore B. Hinman and dispatched at once by Court Clerk Homer Hargrave to Superior Judge George H. Buck, trial judge in the famous Flood will contest. Another copy was filed with Attorney Albert Mansfield of Redwood City, who was one of counsel representing Mrs. Gavin.

The next step in the contest is the filing of the respondents' brief, which will be followed with the filing of a brief by the appellants in rebuttal. Then will follow oral arguments before the supreme justices themselves, following which the plea of Mrs. Gavin for a new trial will be submitted.

A decision in the matter may be many months in the offing.

Mrs. Gavin, who nearly won $2,000,000 of the $9,000,000 Flood fortune at the hands of a jury, which was convinced she was Flood's illegitimate daughter, lost the riches within her grasp when Judge Buck directed the verdict against her.

The attorney for the recallers, however, says the board has proper jursidiction to act. It is asked that an election be called to recall Belser and Anderson.

Paving Of Fremont Street Is Ordered In Menlo Park

MENLO PARK, March 30.—Paving of Fremont street at an estimated today cost of $12,200 including incidentals was ordered by the city council last night. The protest hearing was set for May 3.

The Fremont street work was requested some time ago by a petition of property owners of that district, and plans and specifications were drawn by City Engineer Bert J. Mehl under the new state improvement act passed at the last legislature.

Some discussion of the status of the Fremont School property in connection with assessments for the work was held after Councilman E. J. Crane reported that the trustees declared that they would remain neutral over the project. City Attorney George K Whitworth, however, suggested that unless the school trustees went on record as being willing to pay the city might be forced under the law to pay for the work done along the school property.

General approval was given by the council to a proposal to repair San Mateo drive at an estimated cost of from $250 to $300 as petitioned by a number of property owners. F. L. MacDonald, who presented the petition, declared that the property owners would secure bids on the work. They would want only some help from the city, he asserted.

Members of the city council refused to interpret the zoning laws to allow a modification of the ordinance's prohibition of board and batten structures in a proposed residence project on Creek drive, Stanford Park.

If a count by the automobile association shows that there are a sufficient number of homes along the highway at Stanford Park, 25-mile speed limit signs will be placed there, it was reported by Councilman Crane.

Bids were ordered by the council for the sale of the police motorcycle.

Mrs. Frances Maloney and Mrs. Daniel Blakemore were named by the council to assist City Clerk Fannie I. Kurtz in preparation of copies of the registration lists for the city at a cost of not to exceed $30.

Many Attend Services At Dawn Sunday

"He is not here; for He has risen, as He said."

Those words, spoken to the weeping Mary who came upon the empty tomb of Christ, were used as a text Sunday by Dr. Norman Pendleton of Grace Trinity Center, San Francisco, in delivering the sermon at the fourth annual outdoor observance here of Easter Sunday.

The usual throng of 5000 worshipers from Redwood City, San Carlos, Menlo Park and other peninsula points long before dawn struggled up the mountain side to the foot of the cross on Emerald Peak. Youth with its vigor climbed the hillsides in eagerness to be the first atop the peak, but many of the older folks suffered real discomforts and some fell in faint by the wayside in their determination to get within the comforting golden rays of the huge symbol of Christianity.

Darkness lifted, and the eastern sky turned to a golden glow.

Automobiles in the valley below continued their upward climb; other worshipers came on horseback, on bicycles, on foot. Most everyone was in place when the beautiful Easter morning sun appeared over the hills across the bay.

Then came the sharp notes of the bugle to announce the dawn and the call to worship.

Thousands crowded down into the natural amphitheater at the foot of the cross, while thousands of others lined the roads and banks around the outdoor bowl.

The Rev. V. C. Brown offered prayer, and the Rev. J. R. Rudkin of the First Methodist Church read the scripture lesson. This was followed by a quartet in song, and then came Dr. Pendleton's comforting message of the promise of immortality.

After the assembly had joined in song, the Rev. C. H. Gatchell, pastor of the First Baptist Church, who presided, offered the benediction.

Then the worshipers, with renewed spirituality, wended their separate ways homeward.

Churches throughout the day held special Easter programs. Record attendances were noted everywhere.

'Hill Phantom' Proves To Be Prison Escape

Joe Crammer In Court Tells Lurid Tale Of 'Frame-Up'

Joseph Crammer, 30, San Gregorio "phantom sniper," who terrorized the coastside of San Mateo county for three weeks while hiding from the law, was revealed Thursday to be an escaped convict from the Nevada State Penitentiary at Carson City, Nev.

He has been the objective of an 11-year search since he successfully eluded guards on the prison farm August 4, 1921.

Faced with these facts, Crammer yesterday recited a lurid tale of having been "framed" by a Nevada sheriff, who forced him to plead guilty to a burglary charge under threats that he would be branded with a hot iron if he did not.

He said he was taken off a train at Fallon, Nev., taken to a house where the sheriff built a fire and produced the branding irons, and then was forced to confess to a crime which he alleges he did not commit.

Superior Judge Franklin Swart, before whom he appeared for sentence, replied that he "didn't think much of the branding story," and sentenced him to San Quentin prison for assaulting Miss Lottie Brotherton, 15, San Gregorio girl, with a flashlight. He was also before the court for simple assault against Mrs. Louise Brotherton, the girl's mother.

The information that Crammer was an escaped convict came by letter from Warden M. R. Penrose of Carson City, Nev., to Francis Robinson, probation officer.

A dapple-gray horse which he stole from the state farm helped him make his getaway, Penrose said.

Crammer was serving a 1 to 15-year sentence for burglary from Churchill county, Nev., and was received at the prison on September 30, 1920. Eleven months later he escaped, and during most of the 11 years during which he has been sought, he hid away in the San Gregorio hills as a ranch hand.

A $50 reward will be paid by the state of Nevada for Crammer's return, Warden Penrose reported

Harris, who recently retired from the board of commissioners of the Menlo Park-Atherton Fire District because he is moving from his former home at Atherton, was honored at a banquet of members of the fire department last evening at Oakwood Inn on the Middlefield road.

He was presented with a silver vase engraved with the names of all the members of the department.

Among those attending the dinner were Fire Chief Thomas Cuff, former Fire Chief Fred Whitaker, the three fire commissioners, Charles H. Merrill, James B. Howell and Frank B. Whipple; and Miss Meta Kugeler, secretary of the board.

ORIENTAL SKILL IN SELF DEFENSE SHOWN TO CLUB

Assisted by two members of the Palo Alto police, who have been trained by him, Professor Matsuyama, well-known teacher of Japanese methods of self-defense, gave an exhibition at the Redwood City Exchange Club dinner in Hotel Sequoia Tuesday.

The demonstration consisted of disarming "bandits," rendering attackers helpless through "trick" holds, overcoming an assailant armed with a sword, and other "tricks."

The demonstration was secured by Dr. W. B. Langston, chairman of the evening, through the cooperation of Chief of Police Howard Zink, Palo Alto.

Members of the Redwood City Police Department were interested spectators, as was Judge Edward McAuliffe.

Dr. Norris Cummings, president of the library board, and Carl Wagner, chairman of the chamber of commerce library bond committee, spoke in favor of the library bonds, which are to be voted on April 11. The club then voted its endorsement of the bonds.

Frank Griffin was named by Pres. Al Davies to explain the national Exchange Club's membership drive, which will be carried on until June 30. Alfred Robertson and Sidney Moore were appointed to head the two local membership teams.

LIBRARY SUPPORTERS POINT TO FACT THAT CITY'S BONDS ARE PREFERRED SECURITIES

Lowest Municipal Coupon Rate Ever Secured By Redwood City in Prospect; Tax Average Only $1.06 First Year

Municipal bonds of Redwood City have for years been considered prime municipal securities and it is now practically impossible to purchase them upon the open market.

This was pointed out today by the chamber of commerce library bond committee, of which Carl Wagner is chairman. The committee is working for a successful outcome in the April 11 election, when a $60,000 bond issue to build and equip an adequate public library will be on the regular municipal ballot.

The outstanding bonded indebtedness of Redwood City, as of March 1, 1932, was $320,636.65. The assessed valuation of the municipality was approximately $13,000,000. Aaccordingly, the bonding limit of the city would be $1,950,000. The low ratio between the outstanding bonded indebtedness and the bonding capacity is one of the prime reasons for the position of the bonds of this municipality in the market.

Low Coupon Seen

A check of several municipal bond houses assured the committee that, if a $60,000 issue of bonds were to be offered for sale by Redwood City, a premium would be secured on a 4¾ per cent coupon and that, due to the factors now prevalent in long term financing, it is believed that, if bonds were to be issued in June or July, a premium would be received on a 4½ per cent coupon. This would be the lowest municipal coupon rate ever secured by Redwood City.

It is reported that the federal government has agreed that for the balance of 1932 and for the entire year of 1933, no long term financing will be undertaken, and this fact, coupled with the agitation in congress for increased income taxes in the higher brackets, will naturally strengthen the municipal market, which is the principal source of tax-free covenant long term securities.

Basing its calculations, therefore, upon a 4½ per cent coupon and an average assessed valuation of $2500 per home owner, the committee has figured that a $60,000 library bond issue would, for the first year, cost the taxpayer $1.06.

Property Worth $30,000

"We must also," said Mr. Wagner today, "not lose sight of the fact that the present library site on Broadway is a valuable piece of business property, which, when sold, should produce a revenue of not less than $30,000. This amount could ultimately be applied to the reduction of the library bonded indebtedness."

The Redwood City Exchange Club Tuesday added its endorsement to the growing list of endorsements given by local organizations to the library bonds.

Miss Wilhelmina Harper, city librarian, and Mr. Wagner Tuesday spoke before students of the Sequoia high school who are writing essays on "Why Redwood City should build a new library this spring."

The compositions will be entered in a contest which closes April 1 and for which prizes of $3, $2 and $1 each have been offered for the three best papers. Similar awards will be made to the successful writers from the elementary and parochial schools and to those submitting prize posters from the schools.

PARLEY HELD ON TRUCK LICENSES

Peninsula Delegates In Conference At San Francisco

San Francisco's attempt to have the tax imposed by peninsula citiles upon delivery trucks abolished was formally begun on Tuesday in Mayor Rossi's office in the San Francisco city hall.

Representatives of San Mateo county cities, including Mayor Stafford, City Manager Rolison, and City Attorney Mansfield of Redwood City, were present on invitation of Mayor Rossi to discuss the matter.

Abolition of Redwood City's tax on outside delivery trucks would mean a loss of approximately $5300 yearly to the municipal treasury, which would have to be reimbursed by increased taxation on local citizens, or by higher business licenses for local firms.

San Francisco has recently invoked an old ordinance which taxes trucks which enter the city for the purpose of making purchases. Vegetable peddlers from San Mateo and Marin counties have been arrested under this act, which was seen in some peninsula quarters as an attempt of certain metropolitan merchants to retaliate against the license ordinances of neighboring communities.

It is not believed that Redwood City or any of the other cities of San Mateo county will be in a hurry to drop their protective licensing of outside trucks.

Mayor Rossi was authorized to appoint a committee to study the matter, and a uniform system of licensing was suggested. But obstacles were seen in the way of this proposal.

REGISTRATION AT UNIVERSITY SHOWS DECLINE

Registration of students at Stanford for the spring quarter so far shows a decrease of 165 from the enrollment of a year ago, it was announced on the campus today.

A total of 3058 students have registered since the opening of the spring quarter Monday morning, as compared with 3214 for the same period of last year. The decrease is proportionate to the drop shown in the first two quarters of the present school year.

ROBBERY 'HOAX', FLORIST ADMITS

Took Money To Pay Off Owner, Woodward Admits

A confession that the "robbery" of his flower stand on Easter Sunday night was a hoax perpetrated by himself to cover up his taking of the day's receipts was made today by S. E. Woodward, 39, manager of the Rose Bud Flower Shop, situated on El Camino Real one-half mile south of Redwood City.

Woodward, after questioning by the sheriff's and district attorney's office, was released this morning without charges being placed against him. The funds which he took were his own, it was explained.

On Sunday night Woodward called Deputy Sheriff Timothy O'Rourke and notified him that he had been robbed by a man and woman bandit, who slugged him with a gun and left him unconscious after taking $72 from the cash drawer. Woodward now confesses that this was untrue, and that he told the story "to cover up my taking the day's receipts, which amounted to $35.95."

Enlarging upon this, he explained that he owed Martin Hartmann from whom he was buying the flower stand, $25 on another monthly payment. By informing Hartmann that he had been robbed, Woodward expected that he would be allowed another month in which to make the next payment. "So I conceived the idea of a hoax robbery," Woodward confessed.

The statement was made in the presence of Undersheriff Lawrence J. Nieri, Deputy District Attorney Harold F. Anderson, Deputy Sheriffs John T. Simpkin and Belton Rhodes and William J. Lennon.

Menlo Park

City Engineer Mehl at the meeting of the city council Tuesday evening, presented his report on the improvements for Fremont street. May 3 was the time set for hearing protests on the proposed work. Mr. Farley, a resident on the street, wanted to know how storm water was to be taken care of in view of the 18-inch grade that was to be established. Mehl said a drainage system would be provided for this. All the residents of that thoroughfare have petitioned the council for the improvement.

A letter was read from the P. G. and E. Company regarding a claim for gas of $66. The company asserted that the meter had been properly read and checked and found correct. The bill was referred to the clerk for further investigation.

Modification of assessment on a lot owned by the Allied Arts was made so that a new owner bears the burden of the assessment.

The 25-mile zone is to be established on the highway within the city limits when the California Automobile Association checks up on the number of dwellings on the thoroughfare, declared Crane.

Mr. Buckman was granted a permit to erect a duplex house at the auto camp on the corner of the highway and Valparaiso avenue to take the place of two small houses. The new building will cost several thousand dollars. The application was presented by building inspector Mehl.

The motorcycle owned by the city was ordered advertised for sale in the Times-Gazette.

E. M. Rankin brought up the matter of zoning that territory from the highway to Crane avenue restricting speeding to 25 miles. It was stated by Mayor Weeden that there would have to be 14 houses to the quarter mile before such a zone could be established. When the check is made the permit, application for which was made at the last meeting, will be granted.

City Clerk Mrs. Fannie I. Kurtz, asked for extra clerical help to copy the names from the register at Redwood City for use at the forthcoming election. The request was granted. The council appointed Miss Catherine Maloney and Mrs. George Fountaine to do the work. The sum of $30 was allocated to meet the cost.

Mr. McDonald presented a petition signed by the residents of San Mateo Drive to have the street improved. He said the work would probably cost between $250 and $300 and that the property owners would bear the expense though he expected the city would give some help. The council approved of the plan and promised some aid. The petition was referred to the city engineer.

Building Inspector Mehl presented a plan for a residence to be erected on Creek Drive, near the Allied Arts holdings, and asked for a permit. He declared, however, that the owners desired a board and batton on the outside of the structure and as this was in violation of the building ordinance, he wanted to know what could be done in the matter. The application was laid over to find some solution of the problem.

Claims amounting to several hundred dollars were allowed.

The council adjourned to April 12.

The pretty Eileen Shea, daughter of Mrs. W. D. Shea, was united in marriage to Dr. John A. Lenehan of San Francisco last Saturday in the Church of St. Vincent de Paul. The charming bride spent her girlhood at Atherton where her parents erected a palatial home many years ago. The estate is now owned by Mr. Dutton. Mr. Shea was a widely known architect of San Francisco. In her girlhood Mrs. Lenehan was accounted the prettiest miss on the peninsula. She has for many years lived in San Francisco.

Harry Walsh has been engaged by the Palo Alto News as its circulating manager. As a solicitor he has no equal. The News has made a splendid appointment.

All local churches were crowded to the doors on Easter Sunday. The plate collections were as large as ever notwithstanding the alleged depression. Churches must be supported for they give comfort and aid to the distressed. Without them this world would be a wicked place in which to live. Men know this and are willing to contribute to their upkeep.

Mrs. Robert Melendy and her charming daughter, Veronica, have returned to Eureka after spending some time with Mr. and Mrs. Lloyd Douglass of Stanford Park.

Lenten sewing was completed by Trinity Guild of Menlo Park at a meeting held yesterday afternoon at the parish house. Mrs. E. B. Hinds acted as hostess. A review of late books was given by Mrs. Neal T. Childs of Atherton. The next meeting of the guild will be held at the home of Mrs. DeLancey Lewis.

Wednesday morning a large number of friends and relatives attended the last rites of Joseph P. Ahlert in the Church of the Nativity. The interment was in the family plot at Holy Cross cemetery, Colma. Sunday evening while attempting to descend the rear stairs of his home in the dark he tripped and fell the whole length striking on the concrete floor below, fracturing his skull. His wife, hearing the noise caused by the fall, called Chief Love. He arrived accompanied by Mayor Weeden who had the patient removed to the Community Hospital where he died two hours later. Ahlert was a plumber, learning his trade with Wilson and Company, San Francisco. As a young man he came to Menlo Park to work for his uncle, the late Joseph P. Ahlert, who enjoyed a large business with the wealthy class. After the death of his relatives young Ahlert took charge of the affairs, conducting the shop ever since. He was an expert mechanic, honest in his dealing and having for customers such estates as Flood, Donohoe, Nickel and other people of prominence.

Surviving him are his widow, Mrs. Nora Ahlert; three children, Josephine, Barbara and John Ahlert; and a sister, Mrs. L. Oliver of San Mateo. Mr. Ahlert was a native of San Francisco and had lived in Menlo Park for the past 18 years.

Early Wednesday morning Chief Love made a raid on Chinatown, arresting Wong Sing and Tom Gum for having an opium layout in their apartments. The dream set was removed by the officers and brought to the city hall for evidence. Both men were admitted to bail in the sum of $100 each by Judge Hoss. Their case was set for April 4. Attorney Whitthorn represents the celestials.

Mrs. Elizabeth Lindquist, daughter of Mr. and Mrs. W. H. Weeden, who was quite ill during the past past month is now recovering to the delight of her many friends on the peninsula.

Mr. Carter is recovering nicely from his recent injuries received in an automobile accident at South San Francisco. For over a month he will be compelled to lie in one position. The pelvis bone was fractured and other internal injuries were sustained.

Corpus Christy Monastery has just completed the planting of sycamore trees along the front of the property and poplar trees along the sides of the holding. Many years ago, a man named Meyer planted on both sides of Oak Grove, from the railroad crossing to Middlefield road, a great number of locusts, many of which are still in existence, giving an added attraction to that thoroughfare. The planting took place over a half century ago.

The Family Club on Oak Lane will be the scene of the next meeting Saturday evening, April 9, of the Weeden-Hart political meeting. It is to be a big affair—a sort of pre-election jollification for it is certain that both those gentlemen will be elected by substantial majorities. An orchestra will render music and good speakers are to address the audience. A front seat will be at a premium for voters are to come to congratulate the candidates.

There is no reason why Mayor W. H. Weeden should not be re-elected and there are innumerable reasons why he should be retained in his position, which he has honored by the fearless performance of its duties. He has given freely oDnohoe, Nickel and other people city, has devoted his energies and ability and not a little of his money for the advancement of the very best interests of Menlo Park. When a busy citizen like Mr. Weeden is willing to devote his time to the city without compensation the people ought to show their appreciation by keeping him in office. It is regretted that Mr. Weeden has opposition, but, of course, our political system permits any one to aspire for office and candidates may look for opponents, no matter how unimportant the position may be. During the term of Mayor Weeden the city has advanced, progressed and gone ahead as it never has before. More miles of street work has been done, more sidewalks laid than ever before in the history of the city. In doing these improvements some toes had to be stepped upon for there are in every community a class of citizens opposed to progress of every nature. Those few, of course, are fighting the mayor. The mayor, too, is out of step with those who sought political preferment and failed. Mr. Weeden selected men for city positions whom he thought would best serve the city. He did this fearlessly, knowing he would be criticized by a certain few. He comes before the people for re-election with a clean record, a record of accomplishments and achievements that are commended by all fair-minded citizens who have the interests of Menlo Park at heart. Of course, Mr. Weeden will be elected by a substantial vote but his friends must not relax in their efforts to give him an overwhelming vote at the election on April 11. Let the vote be pronounced.

Matthew A. Harris, who recently retired from the board of commissioners of the Menlo Park-Atherton Fire District because he is moving from his former home at Atherton, was honored at a banquet of members of the fire department the other evening at Oakwood Inn on the Middlefield road.

He was presented with a silver vase engraved with the names of all the members of the department.

Among those attending the dinner were Fire Chief Thomas Cuff, former Fire Chief Fred Whitaker, the three fire commissioners, Charles H. Merrill, James B. Howell and Frank B. Whipple; and Miss Meta Kugeler, secretary of the board.

Robert Seal, young son of Harry Seal, left yesterday with an airplane for New York to be delivered to a millionaire there. Young Seal has been a pilot for some time.

The temperature of one of the sun's spots is about 4,700 degrees centigrade. This is about 1,000 degrees cooler than the sun's spot-free surface. An abundance of these spots on the sun is thought to drop the temperature on the earth one degree.

Wesleyan Club Gives "Kid Party" In Church Parlors

Costumes, games, refreshments were scaled to a "kids' party" given by the Wesleyan Club Monday night in the parlors of the First Methodist Church. More than 40 were present. Prizes for the most effective costumes were given to Mrs. Jesse R. Rudkin and Clarence Mossman. Mrs. Donald L. Bogie, James Dodge and the Rev. J. R. Rudkin received honorable mention.

Comprising the committee in charge were Mr. and Mrs. Glenn Alexander, Mr. and Mrs. L. B. Winiger, Mr. and Mrs. George Fairbrother, and Floyd Whitsell.

At the next meeting, date of which falls on April 25, the men of the club will be hosts with a surprise program.

Mrs. Eberle Has Guests For Easter Dinner

INDUSTRIAL LAND COMMITTEE TOLD OF S. F. EFFORTS

Meeting in the Redwood City Chamber of Commerce office Wednesday, C. F. Andrews' industrial lands committee heard George T. Fitch, of the San Francisco chamber, tell of that organization's efforts along similar lines. Fitch is industrial commissioner for the San Francisco chamber.

The local committee was invited to use the questionnaire put out by the San Francisco Chamber of Commerce to obtain facts about available industrial lands on the peninsula. This will be done, it was indicated, but the Redwood City body will also go ahead with its own compilation of statistics and preparation of a master map showing industrial sites from San Mateo to Palo Alto.

NEW PUBLIC LIBRARY BUILDING CERTAINLY LISTS AS NECESSITY

Because of considerable unemployment, any public construction in times like these is especially desirable to the working men. They expect, in fact, that city, county and state funds will fill in where private capital leaves off. But the public as a whole does not look at it quite that way. Taxpayers now, as in more prosperous times, expect that whatever moneys are spent will show in return a public improvement of equal value.

In other words, whether times are good or bad, public moneys should be spent on projects deemed a necessity by the majority of the citizens. The proposed new $60,000 public library building certainly falls in that class. Over half the city's residents are listed as regular patrons of the institution, and not one voice has so far been raised in protest against the necessity of larger, more suitable quarters.

Then, if the public admits the need, now is the time to replace the present inadequate building. Costs now of both labor and materials are considerably reduced and are as low as they ever will go. If the building is put up now rather than at some future time when unemployment is less prevalent and costs higher, the taxpayers of Redwood City will be saved considerable expense.

The $60,000 library bonds, if approved April 11, would increase taxes about four cents per $100 of assessed valuation for the first year. This amount would gradually decrease over the 20-year life of the bonds to about two cents per $100.

It is hard to believe that the people will turn down the bonds and lose the chance of considerable savings when everyone acknowledges the inadequacy of the present structure. We are being asked to vote these bonds at the tail end of a period of depression, but the joyful part of it is that we'll pay the costs in more prosperous times when we can easily afford to do so.

'CUTTING IN' IS FREQUENTLY CAUSE OF SERIOUS MISHAPS

Figures in last year's traffic casualties show that California ranked high not alone in fatalities, but also in property loss from automobile accidents. Carelessness on the part of some motorists and criminal recklessness on the part of others brought about the exceedingly high property loss of over $100,000,000.

What is the cause? The California Committee on Public Safety declares that "cutting in is a senseless sin" and suggests that this is one of the prime reasons for the heavy traffic toll.

With high speed cars purring along California's famous highways the tendency to cut in is strong, but yielding to the impulse too often is inviting trouble. Keep your car in line until the highway in front of you is clear. Then "let 'er go!"

NOW IS TIME TO TAKE ACTION AGAINST WEED-FIRE MENACE

News that the State Division of Highways is destroying the grass and weeds on the nine-foot strips along the roadsides as a reduction of fire hazards is a reminder that this general weed clearing job awaits all of us. Vacant lots and parking strips in many parts of town are overgrown now with tall weeds which, if allowed to stand, in a few weeks will be first class fire material as warm weather advances. Early destruction of the weed crop before the vegetation has dried not only reduces the duration of the fire menace but also cuts down the prospective size of next year's crop by prevention of seeding.

$1,472.75 DONATED FOR BOY SCOUTS

Redwood City's response to the Boy Scout drive recently conducted here was most heartening to the committee in charge. A final audit showed the total to be $1472.75, or 98 per cent of the quota of $1500.

There were 299 subscribers to the fund, which is much greater than any previous number, according to Edward T. Harrison, chairman of the committee. This gave an average of $4.89 per subscription.

The sum of $1301.25 was paid in cash, and $171.50 was pledged. Of this amount pledged practically $100 has already been paid.

The president's committee on unemployment relief reports that there are 9,000,000 homes in the United States without bathrooms.

School Bus Hit By Trolley, San Mateo

SAN MATEO, Mar. 29.—On its way to load up with students, a San Mateo High School bus was struck by a street car here yesterday, but no report was made to police until last night.

The bus was damaged when the street car, operated by M. D. Lee, skidded on the wet tracks at San Mateo drive. The bus was operated by Samuel G. Goodhue of San Mateo.

Prices Shaved By Peninsula Barbers

Falling into line with other coast barbers who recently reduced the prices of hair-cutting and shaves, Redwood City barbers have done likewise. Haircutting has been reduced from 65 to 50 cents; shaving from 35 to 25 cents.

Balsa, the lightest wood known, has about half the strength of the best spruce.

DOCTOR'S $76,000 DAMAGE SUIT LOST

A jury here Tuesday refused the $76,000 damages asked by Dr. A. W. Morton, head of the Morton Hospital, San Francisco, against Harold Lunsford of Covina, Los Angeles county, following a two-day trial before Superior Judge George H. Buck.

Dr. Morton alleged that his left hand was impaired as the result of an auto-truck collision at Ralston avenue, Belmont, July 10, 1930.

Democratic Group To Name Candidates

The Lesson-Sermon also will include the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Jesus established his church and maintained his mission on a spiritual foundation of Christ-healing. As in Jesus' time, so today, tyranny and pride need to be whipped out of the temple, and humility and divine Science to be welcomed in" (pp. 136; 142).

KIWANIS SHOW CAST HONORED AT LUNCHEON

Members of the cast of "Is Zat So," the play recently sponsored by the Kiwanis Club as a benefit, were guests of the club at its luncheon meeting Wednesday in Sequoia Hotel. John Gill, president, presided.

Claude van Patten, of Sequoia Union High School faculty, who directed the play, was presented with a gift of appreciation by Mr. Gill for the club. In his response, Mr. van Patten complimented the cast upon the production. Sam Winklebleck, immediate past president, presented the members of the cast, including Miss Desiree Heydenfeldt, who carried the feminine lead; Mrs. C. C. Filsinger, Miss Enid Mays, Miss Genevieve Cunningham, and Christy Allen. Little Jimmy Hobson, who played the juvenile, was unable to be present because of illness. Others receiving the appreciation of the club for promoting the success of the play were Charles Douglas, of the Little Shop, who furnished the costumes for the women players; J. Edwin Spence, who arranged the stage settings, and Max Gelber, in charge of the Sequoia high school orchestra music.

Herman J. Phillips sang during the brief program period. Dr. N. C. Cummings, president of the public library board, and Carl Wagner, gave short talks on the $60,000 library bonds which will appear on the April 11 ballot.

Latest figures of the U. S. Department of Commerce show the population of the world to be about 1,992,550,000.

AUTOISTS ADVISED ON BUYING LIGHTS

SACRAMENTO, Mar. 31.—Motor vehicle owners were advised today by the California Highway Patrol to make sure, when purchasing headlight devices, headlight accessory devices and auxiliary lights, that such devices have been approved by the department of motor vehicles.

Approved devices of these types, it was stated, are the only ones permitted on motor vehicles.

It was suggested that prospective purchasers satisfy themselves that a certificate of approval has been issued by the department before buying such devices.

FARM NEWS SENT OUT OVER RADIO EACH THURSDAY

Attention of San Mateo county agriculturists was called today by Max J. Leonard, agriculture commissioner of San Mateo county, to a weekly farm news broadcast over a California network.

The weekly programs will be given each Thursday from 1 to 1:15 p. m. and will originate in the remote control studio which station KFBK has installed in the Department of Agriculture offices in Sacramento.

Stations which will carry these weekly farm talks include stations KGB, San Diego; KHJ, Los Angeles; KERN, Bakersfield; KMJ, Fresno; KWG, Stockton, KFRC, San Francisco, and KFBK, Sacramento.

Director Dudley Moulton, of the state agriculture department, today advised Commissioner Leonard that farm news of interest to growers of this section will be included in these weekly broadcasts and the local county commissioner has been asked by Moulton to assist in the preparation of material which will be of interest to farmers in this section of the state.

JUDGE SWART IN TALK AT DINNER OF LOCAL LIONS

Judge Franklin D. Swart, speaking before the Redwood City Lions Club at a meeting held Tuesday in the Emerald Lake Golf Club, commended the members on the formation of the new Lions Club at Half Moon Bay, and described it as an outstanding work of service in San Mateo county.

Judge Swart also spoke on the proposed charter form of government, and discussed legislation.

Twelve members of the new Half Moon Bay club were present. Charles Douglas and Harry P. Thomas of this city were introduced as new members. Also present were three members of the new Sunnyvale Lions Club which will be officially chartered in April.

Guests of the club for the evening included Christy Allen, Elmer Rogers, Jerry Stryker, William Ryan and Gerald M. Johnson.

The personnel of the club team for the inter-service club golf tournament to be played Sunday was announced by George McQueen.

The meeting was opened by the president, T. W. Cutting; Raymond Von Savoye presided as chairman.

VIEWS EXPRESSED ON 4 CANDIDATES

As a citizen and taxpayer of Menlo Park I would like to express my views on the coming election of April 11 for two councilmen. Mr. Mielke I do not know. Mr. Furman, former chief of police, and Mr. Weeden, our present mayor, have always been two of my close friends. Mr. Hart I have met but am not well acquainted with. Amongst these four candidates the issue seems to settle—Furman and Mielke vs. Weeden and Hart.

One candidate in each camp is a personal friend of mine, therefore, when I cast my vote for one and not the other, it will not be because of any dislike. My only thought is for the good of Menlo Park.

During the period from July 1, 1929, to April 30, 1930, there was considerable dissension at our council meetings. Newspapers on the peninsula gave considerable space to these unfortunate moments and placed Menlo on the black list of prospective home owners. Then came another election which placed in office three new men. Since that time everything has gone forward harmoniously, and the city has made marked progress. True we have had some protest from a few of our citizens about the street improvements, but that was to be expected. Where a majority of people living on a street wanted improvements, the council could do none other than grant the majority their wish.

As stated, the five council members now in office are working in perfect accord. If we displace two of them by candidates with opposing views, dissension will once more be back in the saddle. For the fair name of this community, keep unity amongst our council members and the name of Menlo Park off the blacklist.

It is the privilege and duty of every citizen to look into the books of his city government and attain for himself a first hand knowledge of its financial standing. Every progressive community makes certain demands for protection of one form and another. The execution of these demands requires money and the citizens must meet the cost. The present administration very successfully cut the cost of government without in any way lowering the standards required by our taxpaying body. They have carefully guarded every angle against unnecessary expenditure. They have studied the situation in detail, and the results are admirably gratifying. Can Furman and Mielke profitably pledge themselves to a platform of lower taxes? The people of Menlo will not sacrifice good government for a mere few cents.

I am interested in the progress of Menlo Park. As a taxpayer and resident I desire to see outside people come here and make their homes—see the vacant lots improved by homes of beauty—see the business district enlarge to its full possibilities. Therefore I say, vote for the men who will fit into the picture most harmoniously and let's not afford our neighboring newspapers an opportunity to ridicule us in the eyes of surrounding communities.

A. H. TUPPER.

❖ Woodside ❖

The Easter services both at the Woodside Church and the Church of Our Lady by the Wayside at Portola were largely attended on Sunday last. Easter is the one day in the year that our church edifices are too small to accommodate the communicants.

Mrs. George Hotaling left this week for a stay of several weeks at Palm Springs.

Mr. and Mrs. Edward Harrison of San Francisco have been the guests for several days of Mrs. Harrison's mother, Mrs. Emma Andreen.

Mr. and Mrs. John Casner have moved from Woodside to their old home in Portola.

The Woodside Gardeners Association will meet on next Monday night at 8 o'clock at the school auditorium. All professional gardeners in the vicinity are invited to attend to discuss plans for mutual benefit.

Out of respect to Easter day, no baseball game was played on the local grounds last Sunday but the baseball team of the Woodside Fire Department will attempt to add to their string of victories when they meet a San Francisco team on Sunday next.

The Portola Social Club is offering a card party to be held at the Woodside School auditorium on Friday evening, April 1st.

Two new student teachers have been assigned to the Woodside School by the State Teachers' College at San Jose. They are Miss Ida Sciutto and Miss Ruth Bucknam. They will do their cadet teaching here for the next six weeks.

Local interest is centered on the approaching wedding of Mrs. Josephine Winkler to Pasquale Gargiulo which will take place on Saturday at noon in the garden of the P. C. Hale place. Most of the community has been invited and elaborate preparations have been made for an imposing ceremony.

John Hooper, student at Thatcher School, Ojai Valley, came up from the school to spend the Easter holidays with his family in Woodside.

WOMAN'S CLUB TAKES ACTIVE PART IN FEDERATION BENEFIT

THE REDWOOD CITY WOMAN'S CLUB is taking an active part in the San Mateo county federation card party which will be given in the Burlingame Masonic Hall next Saturday night at 8:15. Mrs. Arthur Jonsen heads the committee in charge here and Mrs. G. R. Kennedy and Mrs. J. E. Baughn are assisting her. Tickets for the affair may be bought at the Sequoia Pharmacy at 50 cents, which includes score cards for whist, auction, or contract bridge, and refreshments.

The program for this meeting is marked by the generosity of its contributions. Miss Lilian B. O'Neil, formerly of San Francisco, who now resides in Emerald Lake, will read "Mourning Becomes Electra," and the choral section of the Woman's Club of Palo Alto will sing.

Wake Up Your Liver Bile —Without Calomel

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. 25c at all stores. © 1931, C. M. Co.

STANFORD FRATS PROPOSE CHANGES IN RUSHING RULES

In the hopes of persuading the intrafraternity board of control to rescind its cancellation of all fraternity rushing and pledging this year ordered recently following wholesale violations of existing rules, the interfraternity council at Stanford last night proposed a new rushing rule program.

The suggestions, which were drawn up by a special committee, will be presented to the board of control Wednesday night. The board will be asked to rescind the present rushing prohibition and approve the new program for rushing next year.

The proposed program is as follows:

1. Freshmen are to be acquainted with rushing rules soon after their registration at an assembly of house presidents, men eligible for rushing and interfraternity council officers to insure perfect understanding.

2. A four-day rushing period will be held in the last week of January with each freshman allowed one date with each house for lunch or dinner; a second four-day period will be held in the last week in February with two dates allowed to each man being rushed; a third four-day period will be held early in the spring quarter; a final week of open rushing will be held before pledging.

3. First violations of the rules by a fraternity would be penalized by the withdrawal of pledging privileges for one year; a second infraction would cause the penalty to be set by the board of control, and each freshman involved would lose pledging privileges for a year.

4. House presidents would be required to give a pledge at monthly meetings of the interfraternity council that their houses had engaged in no illegal rushing during the previous month. Unexcused absence at the meetings would be penalized by a $10 fine.

Baker, Mr. and Mrs. Paul Balleo, Mr. and Mrs. J. D. Connelly, Frank Pederson and John Connelly and Lillian Smith.

Fremont Ball Team Defeats Sequoia, 10-9

Playing below the standard of its no-hit, no-run game against Polytechnic high school the day before, the Sequoia varsity baseball team dropped a 10-9 practice tilt to the Fremont prep outfit of Sunnyvale Tuesday afternoon in seven innings on the Redwood City diamond.

Jimmy LeBlanc, taking it easy in the box the whole way, allowed nine hits and issued a few walks but would still have made a win out of it with better support. Sequoia collected eight bingles off Mims of Fremont, a speed-ball pitcher, but a three-run rally in the last of the seventh was just short of tying the count.

Mims was the leading batter of the day, hitting three for four, including a home run and a double. Marino also landed a homer for Fremont. LeBlanc turned in three hits on five times at bat to head the Sequoia batsmen.

A new man who came into evidence yesterday was Bud Lewis, who started in right field and replaced LeRoy at second base for Sequoia later in the game. Although he made one error at second, he made up for it with a sensational stop of a hard-hit grounder. Kniveton, who had a good day the previous game, misjudged a couple of costly flies.

Coach Leonard Casanova is bringing his squad around into shape for the San Jose game there Friday afternoon. Two of his players, Gene Miller at first base and Elbert Garcia, pitcher, have not been in uniform all week.
